World Beauty Festival Eyelash Regulations Division

false eyelashes

High school, college, and general divisions

The game time is 50 minutes

Requirements ◆

1. The model must be accompanied
2. For eyelashes and glues, only products with KC or KPS certification marks from the Korean government are allowed (use of unapproved products will result in penalties or treatment denial)
3. A hairpiece can be made with three or more strands
4. The outfit will be replaced with a T-shirt provided by the competition
5. The table is organized with all the necessary materials for the procedure neatly arranged
6. The treatment is performed on both eyelids using three or more of the smallest sizes available (Both productized and handmade options are available.)
7. The model lies on a large towel spread out on the table, and when they get up, the towel is replaced with a fresh, large one
8. The model should not have eye makeup or false eyelashes

"Examination Requirements"

1. The design is not set in stone
2. The eyelash density on both the left and right sides is evened out
3. The eyelash design on both the left and right sides is identical
4. The model undergoes a procedure to enhance the appearance of their eyes and eyelashes
5. To achieve a more natural look, the extension procedure is extended to the hairline, allowing for a more abundant and lush appearance
