World Beauty Festival Eyelash Regulations Division

# Eyelash art

High school, college, and general divisions

The game time is 50 minutes

* You can submit your work on the same day it's completed, or participate in person during the competition**

"When conducting face-to-face events, please follow the guidelines."

1. We're preparing a Min-Doo Mannequin that can create art
2. For eyelashes and glues, only products with KC or KPS certification marks from the Korean government are allowed (use of unapproved products will result in penalties or treatment denial)
3. The use of false eyelashes is strictly prohibited. Instead, you must create your work by applying extensions to the disposable ones provided by the competition
4. You must wear a white T-shirt, a gown, a mask, and a hair cap
5. The table is organized with all the necessary materials for the procedure neatly arranged
6. Decorations and makeup should be tailored to the theme
7. The theme of the work should be free and consistent with the overall image of the completed work
8. The materials needed for decoration are almost ready, so they can be applied immediately after the eyelash treatment

"Examination Requirements for the Star Award"

1. The theme of creative art is open-ended
2. A high score can be achieved by meticulously and thoughtfully preparing the ingredients
3. Please bring a description that matches the title of your work
4. The event must be completed with a decorative touch after attaching disposable eyelashes
