event	Sub items	Score	Details and notes
Waxing (30 min)	Preparation and sanitation	10 points	"Neat and tidy attire" Verify that the ingredient list is prepared and set up in a sanitary manner
	Pre-hair removal treatment	20 points	Hand sanitizing and wearing sanitary gloves. The entire area is thoroughly cleaned and prepared for hair removal. (Disinfection and water removal)
	Technique	30 points	*After the temperature test, I apply wax. * Apply the wax evenly and in the right direction. *Applying tension, carefully remove the wax in the correct direction. *After removing the wax, it will be toned down first. *The procedure is performed with a skilled hand. *The waxed hard patch is placed on a white tissue. *After strip waxing, place one non-woven fabric on each side of the treated area (one on the right side).Left 1 page)
	Completion/Finish	30 points	* Remove any remaining wax residue. *Applying the finishing product properly. *Grooming (the more hair left, the more points deducted) * Check for any skin damage. *Finishes up the hair removal and tidies up the area around the model.
	Preliminary	10 points	The hair is either thin or sparse. Partial waxing will result in a deduction.
		100 points	
material	<p>A warmer. A wax strip. All-in-one products, regardless of brand, including white masks.</p> <p>Disposable spatulas. hand sanitizer. Cotton pads. Wax paper.
