

Fan art

High school, college, and general divisions

The game time is 35 minutes

Requirements ♦

1. The standards for national technical qualifications for nail technicians are applied.
2. The model's left hand features a fan-shaped marbling design on the nails of fingers 1 through 5.
3. The nail free edge is rounded in shape.
4. Use pure white and red gel nail polish without any added glitter. "Not compatible with Tongjel."
5. When applying color, coat the entire front surface of the pre-gel stage
6. The number of horizontal and vertical lines in the fan-shaped marbling pattern must conform to the national standards for nail art.
6. The length is typically around 5mm from the center of the yellow line, roughly half the length of the nail body.
7. Apply a base gel once / Red gel polish at least once / Marble the white and red gel polishes in a fan shape / Top gel once

"Key points for the review"

Preparedness: 10/10

Proficiency level: 20 points

Reproducibility: 20 points

Expressiveness: 20 points

The level of completion is 30 points
