

## Permanent - Mixed (Process Evaluation Type)

High school, college, and general divisions

The game time is 35 minutes

### Rules of the House

1. All regulations are based on the national standards for hairdressers (hair) and use either a full-head mannequin or a test wig in a layered cut style.
2. I change the white towel in the basket and set up all the necessary items in a hygienic manner.

"Request for a reference."

1. Using a pre-prepared mannequin in a layered form, we work on creating a hair permanent wave
2. Apply water spray evenly to hair that's moderately damp
3. Blocking and sectioning are carried out separately, taking into account the winding direction, load size, and base width, among other factors
4. The load should be evenly distributed across the entire head, with each component positioned appropriately
5. The number of loads should be at least 55, as specified, and in 11-character bands.

### Request details

1. Rods 6, 7, 8, 9, and 10,
2. The winding sequence is executed accurately, and the tension and winding angle are properly set.

"Key points for the review"

Readiness; 10

Proficiency level: 20 points

Reproducibility: 20 points

Expressiveness: 20 points

The level of completion is 30 points
